

Dear _____,

Thank you for trusting G2 Anesthesia Services (G2) to provide you the safest and most effective IV sedation available at your Dentist. We are the unparalleled leader in office IV sedation and anesthesia.

We look forward to helping every patient think very positive about seeing the dentist. Many patients clearly see us as the best, and most affordable option compared with surgery centers and hospitals.

To help make your visit to the dentist office the best experience possible, there are forms that we ask you to complete as soon as possible. These include the following:

1. Pre-Anesthesia Questionnaire
2. Informed Consent
3. Fee Agreement
4. HIPAA Authorization
5. Pre and Post Anesthesia Instructions

These forms are may be attached below. If not included below you can print them on line from a computer by going to www.g2anesthesiaservices.com and click on "Patient Forms" in the Navigation Bar near the top of the web page.

Soon, we will have these documents available to complete on line as well as instructional videos.

Please complete these forms to the best of your ability. A G2 Anesthesia team member will call you prior to the day of your appointment and will discuss your child's health history and answer any questions you may have about the information on the forms and your anesthesia. WE REQUIRE THAT THESE FORMS BE BROUGHT WITH YOU ON THE DAY OF YOUR APPOINTMENT. We reserve the right to cancel or postpone your appointment without refunding your deposit if you do not bring your completed forms.

PAYMENT FOR SERVICES:

G2 makes every effort to make our services affordable to everyone. Your dentist should have provided you our fee schedule. Our Fee Schedule is included in this information as well.

For all cases we require \$1000.00 (one time refundable) deposit within 30 days of your appointment. We also require payment in full on the day of your service. Please refer to your fee agreement. Payment made by credit card incurs a 4.0% processing fee.

Insurance: We do not process or participate in medical or dental insurance claims.

We accept all major credit cards, checks (for deposit portion only), and cash.

Again we are glad you have decided on using G2 Anesthesia dental anesthetic services. We look forward to making your dental care possible as you "Sleep for your smile".

Sincerely,

Dr. W. Scott Getty, DNP, CRNA, President

PLEASE NOTE:

PLEASE NOTICE:

A G2 Anesthesia REPRESENTATIVE WILL MAKE UP TO 3 ATTEMPTS TO CALL YOU TO MAKE SURE YOU UNDERSTAND INSTRUCTIONS, PERSONALLY REVIEW YOUR MEDICAL HISTORY.

IF WE HAVE NOT BEEN ABLE TO CONTACT YOU AT LEAST 14 DAYS BEFORE YOUR APPOINTMENT, CALL 833.336.8482 OR **YOUR SEDATION SERVICE WILL BE CANCELLED.**

ALSO:

YOUR SEDATION / ANESTHESIA FEE IS SEPARATE AND IN ADDITION TO WHAT THE DENTAL OFFICE CHARGES YOU FOR YOUR DENTAL TREATMENT.

G2 Anesthesia WILL BILL YOU FOR THE FEE. NOT YOUR DENTAL OFFICE.

PLEASE EXCUSE THE BOLD STATEMENT, BUT IT IS ONLY INTENDED TO AVOID A FREQUENT PROBLEM WE ENCOUNTER.

FEES ARE DESCRIBED WITHIN THIS PACKET.

AFTER YOUR APPOINTMENT IS BOOKED YOU MAY TAKE UP TO 5 CALENDAR DAYS TO MAKE YOUR DEPOSIT IN ONE OF THREE WAYS.

1. CALL (833) 336-8482 — TO PAY BY CREDIT CARD
2. CALL (833) 336-8482 — TO PAY BY EMAIL INVOICE (leave your email address)
3. SEND A CHECK TO THE FOLLOWING ADDRESS:
G2 Anesthesia Services
3212 Turley RD NE
Corydon, IN 47112

THANK YOU

Anesthesia Patient Health Questionnaire

Initial Here _____

Patient's Name: _____ DOB: _____ Age: _____

Gender: Male /Female Height: _____ Weight _____ lb.

Surgeon/Dentist: _____ Date of Surgery: _____

Address: _____ State: _____ Zip Code: _____

Contact Numbers: Home _____ Emergency Contact: _____

E-mail Address: _____

1. List all prescription drugs, over-the-counter medications and herbal supplements that you take:

I do not take medicines or herbal supplements

Name	Dosage	Frequency

2. List all allergies to food, medications and other substances (latex rubber, shellfish, iodine):

I do not have any known allergies

3. Have you ever had dental or surgical procedures requiring sedation or general anesthesia?

YES NO

Anesthesia Patient Health Questionnaire

Initial Here _____

4. Please list all previous surgeries or dental procedures requiring anesthesia.

Surgical or Dental Procedure Requiring Anesthesia	Year

5. Any difficulties or complications with previous ANESTHESIA or surgery? YES NO

Anesthetic Complications	YES	NO
Severe Nausea or Vomiting		
Difficulty waking up		
Awareness while under anesthesia		
Difficult intubation (insertion of breathing tube)		
Malignant hyperthermia (you or your family) -- uncontrolled very high fevers		
Blood relative had major complication		
Other: _____		

6. Have you ever had HEART, CIRCULATION of BLOOD PRESSURE problems? YES NO

HEART, CIRCULATION of BLOOD PRESSURE problems?	YES	NO
High blood pressure		
Angina or chest /arm/jaw pain		
High Cholesterol		
Leg or neck artery blockage		
Heart attack		
Congestive heart failure		
Heart murmur/heart valve problem		
Irregular heart beat or palpitations		
Defibrillator		
Born with a heart problem		
Other heart condition _____		

Anesthesia Patient Health Questionnaire

Initial Here _____

7. Do you have difficulty climbing two flights of stairs without stopping?

YES NO

8. Have you ever had a specialized heart test or heart procedure?

YES NO

Specialized heart test or heart procedure?	YES	NO
Carotid Doppler Study		
Holter monitor		
Stress test		
Heart catheterization		
Echocardiogram		
Cardiac stent? DATE _____		
Heart nuclear scan		
Other test or procedure _____		
Have you been told any of these tests were abnormal?		

9. Have you ever had breathing problems or a lung condition?

YES NO

Breathing problems or a lung condition?	YES	NO
Asthma		
Emphysema or COPD		
History of pneumonia		
Chronic cough		
Sleep apnea		
Bronchitis		
Recent cold, sore throat (last 2 weeks)		
Use oxygen		
Shortness of breath		
Use CPAP or BiPAP		
Other lung or breathing problems? _____		

10. Have you ever had a brain, nerve, muscle or mental health condition?

YES NO

Brain, nerve, muscle or mental health condition?	YES	NO
Stroke		
Seizures or epilepsy		
Paralysis		

Anesthesia Patient Health Questionnaire

Initial Here

Brain, nerve, muscle or mental health condition?	YES	NO
Numbness or weakness		
Multiple sclerosis		
Neuropathy		
Tremors		
Parkinsonism		
Loss of bladder or bowel control		
Muscle disease		
Headache/Migraines		
Anxiety		
Depression		
Other: _____		

11. Have you ever had any liver or digestive problems? YES NO

Liver or digestive problems?	YES	NO
Ulcer		
Hiatal Hernia or Acid Reflux Disease (Heart Burn)		
Gallbladder Problems		
Hepatitis		
Yellow Jaundice		
Cirrhosis		
Difficulty Swallowing		
Unintentional Weight Loss		
Other: _____		

12. Have you ever had a kidney or prostate condition? YES NO

Kidney or prostate condition?	YES	NO
Chronic Bladder or Kidney Infection		
Kidney Stone		
Diminished Kidney Function/Kidney Failure		
Blood or Peritoneal Dialysis		
Prostate Enlargement or Prostate Cancer		
Other: _____		

Anesthesia Patient Health Questionnaire

Initial Here _____

13. Have you ever had blood or clotting disorder? YES NO

Blood or clotting disorder?	YES	NO
Anemia		
History of blood transfusion		
Blood clotting disorder		
Sickle cell trait or disease		
Transfusion reaction		
Bruising without reason		
Blood clots in legs or lungs		
Use blood thinners		
Other: _____		

14. Have you had diabetes, thyroid, or endocrine disorder? YES NO

Diabetes Treated with:

Diet

Pills

Insulin

Thyroid Disease:

High

Low

Prednisone or Steroid Use

YES.

NO

AverageCBG: _____ HgBA1C: _____ Other: _____

15. Have you ever had arthritis, spine, joint, or connective tissue problems? YES NO

Arthritis, spine, joint, or connective tissue problems?	YES	NO
Degenerative arthritis		
Osteoporosis		
Spine problems: If so, check below.		
Neck		
Upper Back		
Lower Back		
Rheumatoid arthritis		
TMJ/difficulty opening mouth		
Neck stiffness or pain with neck movement		
Fibromyalgia/chronic fatigue		
Fractures		
Other: _____		

Anesthesia Patient Health Questionnaire

Initial Here _____

16. For Women:

Date of Last Menstrual Period; _____

If pregnant, How many weeks? _____

If pregnant, Who is your OB? _____

17. Did you ever, or do you use tobacco, drink alcohol or use illicit drugs? YES NO

Use tobacco, drink alcohol or use illicit drugs?	YES	NO
Cigarette Smoking		
Packs per day _____ Years _____		
Cigar or pipe smoking		
Alcohol: Drinks per day _____		
Treated for alcoholism in the past?		
Marijuana		
Cocaine/Crack		
Methamphetamines		
Other: _____		

18. Have you had an organ transplant of any kind? YES NO

Organ transplant of any kind?	YES	NO
Heart		
Lung		
Liver		
Kidney		
Pancreas		
Other: _____		

19. Do you have any of the following implants? YES NO

Implants?	YES	NO
Artificial joints		
Pacemaker		
Defibrillator - AICD		
Cardiac Stent		
Vascular Stent		
Medication Pump		
Electrical Stimulator - nerve, diaphragm, brain....		

Anesthesia Patient Health Questionnaire

Initial Here _____

20. Other medical conditions: YES NO

Other medical conditions:	YES	NO
Hearing loss		
Vision loss or blindness		
Glaucoma		
Hearing aids		
Contact lenses		
Dental bridge		
Dentures		
Loose teeth		
Capped teeth/veneers		
Dental implants		
Tongue or body piercing		
Do you have a skin condition?		
Other: _____		

21. Have you been hospitalized or been to the ER in the last 12 months? YES NO

22. Have you had an EKG in the last 6 months? YES NO

23. Have you had a Chest X-ray in the last 12 months? YES NO

24. Have you ever been hospitalized over one week? YES NO

25. Have you seen someone other than the surgeon in preparation for this dental procedure or surgery?
 (Internal medicine, Pulmonologist or Cardiologist?) If yes, what is their name and contact information?

Name	Phone	Last seen

26. Is there anything that needs to be addressed prior to your dental procedure or surgery?

Anesthesia Patient Health Questionnaire

Initial Here _____

28. How would you rate your health?

- Healthy
- Mild Disease
- Severe Disease
- Severe Disease that is a constant threat to life

IF YOU HEALTH IS RATED AT **SEVERE DISEASE** OR **SEVERE DISEASE THAT IS A CONSTANT THREAT TO LIFE**, YOU PROCEDURE MAY NOT BE PERFORMED AT THE DENTIST OR DOCTOR OFFICE. YOUR PROCEDURE MUST BE PERFORMED AT AN ACCREDITED HOSPITAL OR AMBULATORY SURGERY CENTER

I HAVE READ AND ANSWERED ABOVE QUESTIONS TRUTHFULLY.

END OF QUESTIONNAIRE

CONSENT FOR ANESTHESIA SERVICES

I, _____, acknowledge that my doctor has explained to me that I or my child will have an operation, diagnostic, or treatment procedure— medical or dental related. My doctor has explained the risks of the procedure, advised me of alternative treatments, and told me about the expected outcome and what could happen if my condition remains untreated. I also understand that anesthesia services are needed so that my doctor can perform the procedure.

It has been explained to me that all forms of anesthesia involve some risks and no guarantees or promises can be made concerning the results of my procedure or treatment. Although rare, unexpected severe complications with anesthesia can occur and include the remote possibility of infection, bleeding, drug reactions, blood clots, loss of sensation, loss of limb function, paralysis, stroke, brain damage, heart attack or death. I understand that these risks apply to all forms of anesthesia and that additional or specific risks have been identified below as they may apply to a specific type of anesthesia. I understand that the type(s) of anesthesia service checked below will be used for my procedure and that the anesthetic technique to be used is determined by many factors including my physical condition, the type of procedure my doctor is to do, my doctor’s preference, and my own preference. It has been explained to me that sometimes an anesthesia technique which involves the use of local anesthetics, with or without sedation, may not succeed completely and therefore another technique may have to be used including general anesthesia.

<input type="checkbox"/> Deep IV Sedation and General Anesthesia (IV= Intravenous)	Expected Result	Total unconscious state, possible placement of a tube into the nose mouth and windpipe
	Technique	Drug injected into the bloodstream, breathed into the lungs, or administered by other routes
	Risks	Mouth or throat pain, hoarseness, injury to mouth or teeth, awareness under anesthesia, injury to blood vessels, aspiration, pneumonia

<input type="checkbox"/> Moderate/Conscious IV Sedation (IV= Intravenous)	Expected Result	Total or partial amnesia, reduced anxiety and pain, Intermittent periods of brief unconsciousness Able to follow commands
	Technique	Drug injected into the bloodstream, breathed into the lungs, or administered by other routes
	Risks	An unconscious state, depressed breathing, injury to blood vessels Partial or total memory of the procedure Advancement to General Anesthesia with associated risks.

I understand that my anesthesia may be advanced to DEEP IV SEDATION and GENERAL ANESTHESIA if Moderate IV Sedation is not effective as determined by my doctor or anesthetist.

I prefer that my anesthesia NOT BE advanced to Deep IV Sedation and General Anesthesia and stopping the procedure IF the procedure being performed safely permits me to be awakened.

G2 Anesthesia HIPAA AUTHORIZATION

I, _____, give permission to G2 Anesthesia to use my protected health information, and/or disclose the my protected health information to:

- Anesthesia Billing Company, Inc.
- List your insurance company or companies:

-
-
- Your Primary Care provider(s) and/or skilled Nursing Facility Providers.

Information to be disclosed:

- Medical Records
- Dental Records
- Treatment Records
- Diagnostic Records
- Other: (If applicable) _____

This protected health information is being used or disclosed for the following purposes:

- Provider fee reimbursement. (ie. Third party insurance billing)
- Medical or dental consultations related to your treatment and continuity of care.

This authorization expires after one year.

If any person or entity listed above receiving this information is not a health care provider or health plan covered by federal privacy regulations, the information described above may be disclosed to other individuals or institutions and no longer protected by these regulations.

You may refuse to sign this authorization. Your refusal to sign will not affect your ability to obtain treatment or payment or your eligibility for benefits.

You may inspect or copy the protected health information to be used or disclosed under this authorization. For protected health information created as part of a clinical trial, your right to access is suspended until the clinical trial is completed.

Finally, you may revoke this authorization in writing at any time by sending written notification to G2 Anesthesia. See our web site for our office address. Your notice will not apply to actions taken by the requesting person/entity prior to the date they receive your written request to revoke authorization.

Description of Personal Representative's Authority

I, _____ agree to the following terms and fees for Conscious and/or General Intravenous (IV) anesthesia services provided by G2 Anesthesia.

Fee for both General Anesthesia and Moderate Sedation:

For up to first 240 minutes (1-4.5 hours): \$2000, \$3000 (4.5-6 hours)

Conscious/Moderate IV Sedation: Conscious IV Sedation is effective intravenous sedation that relieves patients of fear and anxiety. Conscious IV sedation may provide feelings of euphoria along with frequent periods of sleep. There is little care or regard to pain. Most patients do not remember the dental procedure, but some do remember part or all of their dental procedure. There is less risk for complications of Conscious IV Sedation compared to Deep IV Sedation and General Anesthesia yet may not be adequate for patients undergoing dental procedures or surgery.

General Anesthesia: General Anesthesia renders patients totally unconscious. There is no perception of pain. Memory or awareness of the dental procedure is very unlikely. However, there are reports that some do remember part or all of their dental procedure. There is more risk for complications of General Anesthesia compared to Conscious IV Sedation.

Additional (Non-standard) IV Medication Charges: Provided at the discretion of the Anesthetist or at the request of the patient or Dentist.

- Anti-nausea, Steroid or Anti-inflammatory Medication—no charge
- Blood Pressure Management Medication (Ephedrine, Neosynephrine, Labetalol, Metoprolol, etc.)— \$125.00 ea
- Antibiotic Medication— per dentist request— \$100.00 per dose

Payment: Payment in full for anesthesia services must be completed on the day of service by cash, credit card, flexible spending account, or health savings account. A 4.0% processing fee will be added if paying by credit card. A deposit of \$1000 is required the day your appointment is confirmed by a G2 Anesthesia Services representative and no later than 14 days prior to your appointment. An invoice for payment will be mailed and/or emailed to you.

Deposit Refund Policy and Cancelled Appointments: If you cancel your sedation with G2 Anesthesia more than 4 weeks before your scheduled appointment, 50% of your deposit is refunded. If you cancel your sedation for any reason less than 4 weeks before your appointment, we do NOT refund your deposit. (This is due to the expense arranging an anesthesia provider whom we must pay regardless of whether you show for your appointment or not.) If you falsify your medical information, we reserve the right to cancel your appointment without refund.

NOTICE: IF ON THE DAY OF YOUR PROCEDURE YOU HAVE NOT FOLLOWED PRE-PROCEDURE DIET RESTRICTIONS OR YOUR EXISTING MEDICAL PROBLEMS (KNOWN OR UNKNOWN) HAVE NOT BEEN ADEQUATELY CORRECTED OR OPTIMIZED, G2 ANESTHESIA RESERVES THE RIGHT TO CANCEL YOUR SEDATION WITHOUT REFUNDING YOUR DEPOSIT. MEDICAL CONDITIONS INCLUDE BUT ARE NOT LIMITED TO UNCONTROLLED HIGH OR LOW BLOOD PRESSURE, DIFFICULTY GETTING ENOUGH OXYGEN OR BREATHING, KIDNEY DISEASE, DRUG ABUSE, RECENT HEART ATTACK, POORLY CONTROLLED BLOOD GLUCOSE AS WELL AS OTHER ACUTE OR CHRONIC DISEASES. _____ INITIALS

G2 Anesthesia does NOT participate in healthcare credit plans.

G2 Anesthesia DOES NOT SUBMIT CLAIMS FOR INSURANCE. Sedation anesthesia for dental procedures performed by a dentist or dental hygienist is considered elective and is not reimbursable by any medical insurance companies.

Nonpayment of G2 Anesthesia fees on the day of service are subject to a 25% (of total fee) per week late fee and at our discretion, collection service fees, reasonable attorney fees, court fees and all other costs incurred for collections are applied. Bounced checks and/or insufficient funds checks incur a \$30 fee per bank deposit.

My signature below indicates that I have read and understand the above fee information and agree to the terms of payment. **See a separate form called Consent for Anesthesia Services for related information.**

PRE-ANESTHESIA INSTRUCTIONS-- Before coming to the Dentist office:

1. Notify G2 Anesthesia if you have any sudden changes to your health as soon as become aware. This is especially true for even mild colds or flu-like symptoms.
2. Take your regular medications with sips of water as instructed by your Anesthetist.
3. Arrange for transportation for your return home by a responsible friend.
4. Nothing to eat or drink for at least 8 hours before your appointment, except for your regular medications.
5. Urinary incontinence may occur so bring a change of clothing and/or wear an appropriate sized pad or diaper.

POST ANESTHESIA INSTRUCTIONS-- Leaving after your sedation:

1. During your surgery, you will be given an anesthetic to make you comfortable and free of pain. This will be administered either by a fully-trained Certified Registered Nurse Anesthetist (CRNA), dental anesthesiologist (DMD), or physician (M.D.) anesthesiologist.
2. You are required to have a responsible person transport you from the doctor's office after surgery. Someone must stay with you for the next 24 to 48 hours.
3. You may be unaware of the effects of the anesthetic for 24 to 48 hours, even though you may think you feel fine.
4. During this time, you should not engage in any activity that could be harmful to yourself or others, such as driving, smoking in bed, or using power equipment.
5. You should exercise caution and seek assistance when engaging in activities such as walking, climbing stairs, or going to the bathroom. A responsible person should be readily available to assist you with your needs.
6. For some patients undergoing prolonged general anesthesia (more than 3 hours), know that post anesthesia recovery will continue after you arrive home. You will likely need a wheelchair getting to your car and may rely on someone able to provide assistance with strength and balance when you arrive home. We will not discharge you from care unless we are sure that you have recovered sufficiently from anesthesia and your caretaker is appropriate to assist you.
7. You should eat only very light, easily digested foods and liquids for the next 24 hours.

My signature below indicates that I have fully read and understand these post anesthesia instruction and that my anesthesia provider has fully explained any questions that I have regarding my responsibilities related to receiving anesthesia.
